YOUR SPECIAL DAY

An event such as your wedding day requires an exceptional setting. The Aspen Meadows Resort offers an unsurpassed level of elegance and sophistication. Everything from the stunning mountain view and warm, relaxing atmosphere to our personalized service creates the perfect backdrop for your special day. A virtually endless variety of culinary delights and an impeccable eye for detail ensures your celebration will be as memorable as it is uniquely yours. From the very moment you arrive until you depart on your journey together, the Aspen Meadows experienced wedding professionals are with you every step of the way.

THE PERFECT PLACE

Located in the heart of Aspen's historic west end, The Aspen Meadows Resort offers a stunning selection of locations, perfect for creating treasured memories and a once in a lifetime celebration.

Our larger events will experience a ceremony in Anderson Park with unobstructed views of Maroon and Castle Creek Valleys, followed by a cocktail hour in one of our many unique indoor or outdoor venues. Conclude with a reception in the McNulty Ballroom, one of the few above-ground ballrooms in Aspen offering floor-to-ceiling windows.

For more intimate gatherings, the newly renovated Walter Isaacson Center offers the Plato's Deck with panoramic views for your ceremony followed by a cocktail hour on the Bren + Mel Simon Terrace. Your guests will then flow down to the Madeleine K. Albright Pavilion and Davis Commons, an indoor-outdoor venue overlooking Aspen Highlands and Buttermilk mountains.

DELECTABLE CUISINE

Innovative flavors. Surprising combinations. Striking presentations. These are the trademarks of every meal at the Aspen Meadows Resort.

Our chefs dish up authentic Colorado fare. Inspired by local and regional sustainable ingredients, our cuisine boasts indulgent, classic flavors with a contemporary twist. You are guaranteed to taste something delightful and memorable at the Aspen Meadows Resort.

COMFORTABLE STAY

A truly unique destination, the resort boasts a classic and creative history dating back to 1949. The notion behind the property to unite the mind, body and spirit plays a great role in the aesthetic of our 98 guest suites. Spacious, floor-to-ceiling windows bring the inspiring surroundings inside while Bauhaus inspired furnishings decorate the rooms.

All suites have separate living room areas with queen-size pull-out sleeper sofas, and wet bars equipped with a mini-refrigerator, microwave, and Keurig coffee maker. Complimentary guest amenities include shuttle service to and from downtown Aspen (5 minutes) and the Aspen Airport (10 minutes), property-wide wifi, and use of our Health Club, which includes various seasonal activities such as tennis and snowshoeing, as well as an outdoor heated lap pool and hot tub available year-round.
